

ABORIGINAL HISTORY

AT THE GOLD MUSEUM

An opportunity for
year 7 & 8 history groups
studying the new
victorian curriculum

TOUR THE PERN COLLECTION

Meet a museum professional and
tour the Gold Museum's Pern Collection

Sydney Pern was a 19th century collector who gathered a large collection of indigenous artefacts from across Australia and the Pacific. This collection is stored and cared for at the Gold Museum in Ballarat.

This program will discuss the Pern Collection and explore the importance of collecting, conservation and museum ethics. Students will meet a Collections Manager and go behind the scenes, enjoying exclusive access to the Museum's storage facilities and its indigenous collections.

HISTORICAL KNOWLEDGE

The nature of sources of evidence about ancient Australia and what they reveal about Australia's ancient past.

The importance of conserving the remains of the ancient past, including the heritage, culture and artefacts of Aboriginal and Torres Strait Islander People
