

## Where Can I Eat?

There are lots of places to eat at Sovereign Hill. My teacher will tell me where I can have my snacks and lunch. I can eat anywhere that my teacher or parent helper decides is ok.

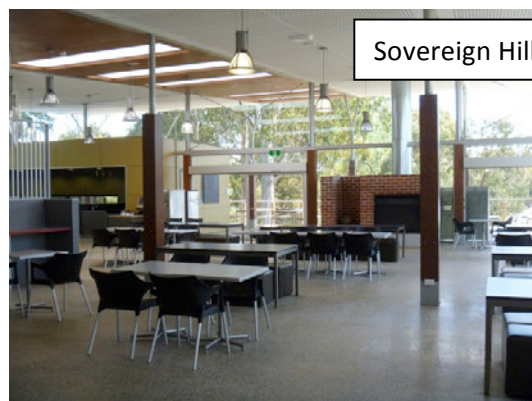

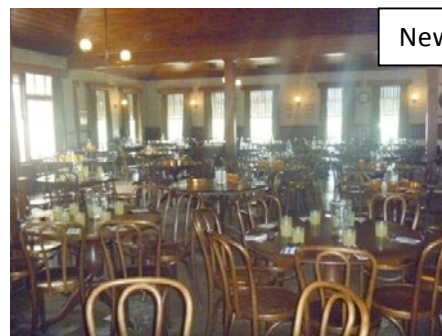

It is important that any rubbish from my lunch goes into the rubbish bins.

Some of the rubbish bins at Sovereign Hill are hard to see because they are in wooden boxes. This is because in the 1850s there weren't any plastic rubbish bins, so Sovereign Hill has to disguise theirs.

I will put my rubbish in a bin.

Sometimes students who are at Sovereign Hill order their lunch from the New York Bakery or the Sovereign Hill Café.

They usually get a salad sandwich, a bottle of water, some fruit and a packet of chips from the café.

Lunch at the New York Bakery could be fish and chips or a baked potato.

I will sit quietly and wait until my meal is brought to me.

If I am staying overnight, I will probably have dinner in the New York Bakery.

Dinner could be spaghetti bolognese or fish and chips.

My teacher will find out from the caterers before I come to Sovereign Hill what I will have for each of my meals.

I will only touch my own food and drink.

Breakfast will be in the Sovereign Hill Café.

There will be cereal, toast with jam or vegemite, orange juice and hot chocolate.
