

Where can I go to the toilet?

When I go to Sovereign Hill I will be there for a few hours at least.

I may need to go to the toilet.

There are a few different places to go to the toilet.

If I need to go to the toilet I will tell someone where I am going.

To find the toilet I can look at the map.

This shows where all the toilets are.

If I need help, I will ask my teacher or a Sovereign Hill person in olden day's clothes.

I can also look for signs like this:

They point to where toilets can be found.

Some of the places I can find toilets are in the main entrance building, in the Sovereign Hill Café and behind the Post Office in Main Street.

When I go into the toilet there will be different cubicles.

When it is my turn I can use one of these cubicles.

Once I have finished I will wash my hands.

It is good to be clean and wash my hands.
